**Sun cream reminder - Please can parents/carers apply sun cream to your child prior to coming into session. We will top up where necessary during lunch if your child is in all day with a factor 50 sun cream.**

**Now the warmer weather is here please could you put an ice pack into your child's lunch box. Also we have had a couple of children bring nuts in their lunch box, we understand that nuts are a healthy snack but due to allergies and our policy which is advised by the local authority we cannot allow children to eat them.**

**Could you all ensure your child has spare socks as well as spare clothes everyday please, we have no spare socks left at all now so we would also be very grateful of any donations.**

**There are still spaces on the coach for our summer trip if any more of you wish to come along and join us. Coach is only £5 per person and £5 each for entry into the farm park. We will extend the time given to pay for the trip as we would really like more of you to come along. All payments to be made by 16<sup>th</sup> June.**

**Pre-school photo day is Wednesday 7<sup>th</sup> June. Thank you to everyone that returned their consent forms as we cannot take your child's photograph without it. Children who are not in session that day, please can you arrive at 9am and wait with your child while they have their photo taken. All children in session on Wednesday will be taken over by a member of staff to have their photo taken.**
